

Akme Spoartz

Cochin, Kerala

Design, supply & install for box cricket

Project completion: September 2020

Product: TigerTurf Premier

Surface: Concrete (mirror finish)

Akme Spoartz is a cricket arena with an academy that is focussed solely on cricket. This bespoke facility boasts of 3 indoor cricket pitches with bowler's run-up as well. The arena is floodlight, making night cricket possible as well and considering that it is covered as well, this makes play possible 24x7. Of course, for non-stop use without impairing on quality or safety, the answer was TigerTurf.

TigerTurf Premier is a cricket surface that is manufactured specifically for use on cricket pitches and installed for a wide range of playing situations – for match play, in the nets, indoor training facilities and to provide all-weather, flat and free draining surfaces, even for bowler's run ups. It is suitable for play at all levels be it for use by professionals and intermediates as well for schools and coaching academies.

TigerTurf Premier uses a fibrillated, polyethylene yarn and allows players to develop their skills on a true surface with realistic turn and bounce. It is an extremely hard-wearing turf and is meant for both indoor and outdoor use. It is easy to install and provides a levelled playing surface. TigerTurf Premier surfaces are also fire rated for indoor practice areas (if partially infilled with sand).

This facility was inaugurated on the 11th of September, 2020 in the presence of Adv. P.M. Naseema – who is also the local councillor – along with the top cricketers of the state such as Tinu Yohannan and P. Balachandran along with the Ernakulam District Cricket Association president and secretary, R. Kathikeya Varma and Edwin Joseph respectively.
