Prabhadevi, Mumbai

## Futsal & cricket.

**Year of project completion:** March, 2025

**Base:** Plain cement concrete

**Surface:** TigerTurf Championship 50 (futsal), TigerTurf Premier (cricket)

Sumer Trinity Prabhadevi is a premium residential complex that offers a luxurious lifestyle in the heart of South Mumbai. Spread across 4.5 acres, the project features over a 100 premium apartments. With the first residential floor starting 72 feet above ground level, every home offers a serene, elevated experience – akin to living among the clouds.

Altius Sports has constructed a rooftop box cricket setup for the residents. In addition to the supply and installation of turf, we also provided foam padding and netting work for the structure, keeping safety in mind. The facility features TigerTurf Championship, a high-performance surface made with advanced fibers designed in a patented rhomboid shape. This shape ensures the fibers remain upright, delivering consistent playing performance. When compressed, the fibers twist rather than bend, allowing them to bounce back upright—making this turf ideal for high-usage sports surfaces.

At the center of the facility is TigerTurf Premier, a specialized cricket surface suited for various formats—be it match play, nets, or indoor training. It offers realistic bounce and turn and allows for year-round play, regardless of the weather. This ensures that players can dive and move freely without any risk of injury. The outfield not only allows the cricket ball to glide to the boundary but also maintains optimal speed for football play – striking a perfect balance between the two sports.

If you're looking for a comprehensive sports infrastructure solution, Altius Sports is your go-to partner. From design to manufacture, to supply, installation, base construction and accessories, we offer a complete end-to-end solution tailored to your needs.
